Measurements

Collection: PORCINI by Lorenza Bozzoli is a collection of sculptural side tables as practical and versatile as they are delightful to the eye. Named after the beloved Italian mushrooms they casually resemble, the tables come in four heights and four elegant colorways. PORCINI integrates with any DEDON collection and looks great when displayed in a mix of shapes and sizes.

Side table: The PORCINI side table features a base of woven fiber in combination with nautical rope and a top of high-impact industrial ceramic.

Frame: Aluminum

Finishing: The woven base is electrostatic powder-coated in a color similar to that of the fiber, then woven with fiber and rope.

Characteristics: Sculptural, artistic, organic, surprising, practical

Frame Maintenance: Clean with a soft cloth and warm water.

Craftsmanship in numbers: Length: 139 m / 152 yd | Weaving hours: 5
