

SUMO
design Piero Lissoni

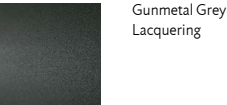

Fixed-size “lenticular” elements, available in different dimensions and configurable with complementary coffee table. Supporting frame in 30x30 mm “calendared” tubular steel with epoxy powder coating, sprung with coated rubber elastic straps, padded in polyurethane foam covered in 100% polyether thermally bonded onto a polyamide velveteen backing and a felt pad to protect the seat cushion, to which it is fixed a 10 mm thick emptied HPL panel veneered and edged with Canaletto walnut with water-based acrylic paint finish. Armrest and backrest structure in double-panelled poplar and pine with padding in differentiated density polyurethane foam, covered with a mat in prewashed and sterilized goose down, stitched into separate compartments. Seat cushion in differentiated density polyurethane foam, covered with acrylic fibre layers. Tubular steel bracket Ø25 mm, with gunmetal grey colour epoxy powder coating. Floor support guaranteed by plastic supports with interchangeable feet (in black PVC or felt) depending on the floor.

Fabric or leather upholstery, both fully removable by zippers and Velcro fastenings. Seat depth 66 cm. Coffee table base, screwed to the supporting frame through a Ø20 mm tubular steel support with black plastic closing cap, on which is welded a “boxedshaped” element in 3 mm thick laser-cut steel sheet with inserted a 0°-90° frictioned swivel mechanism, and 5 mm thick steel plate on which the top is fixed. All metal parts have a gunmetal grey epoxy finish. **Coffee table available with top in wood or marble.** **Wood version:** 10 mm thick contoured HPL top veneered and edged in Canaletto walnut, with acrylic painting finish. **Marble version:** 15 mm thick top coupled to a 2 mm steel sheet plate, available in white Carrara, black Marquinia, red Levanto or Sahara Noir with satin finish and mat transparent protective varnish or glossy or mat polyester finish.

Bracket

Lateral Table Top

Notes

The lateral table is available for all elements, sofa and dormeuse, without armrest. For the assembly please refer to the instruction included with the product.

For the marble table top, please specify the required finish in the order.

Wood is a living material; therefore, it can have slight color and dimension changes. The presence of any non-homogeneous color shades is not to be considered a defect but a quality. Please note that the direct sunlight exposure may alter the wood color; therefore, we recommend the periodic position shift of the objects placed on the furniture for the first months to avoid differences in shades between exposed and covered portions.

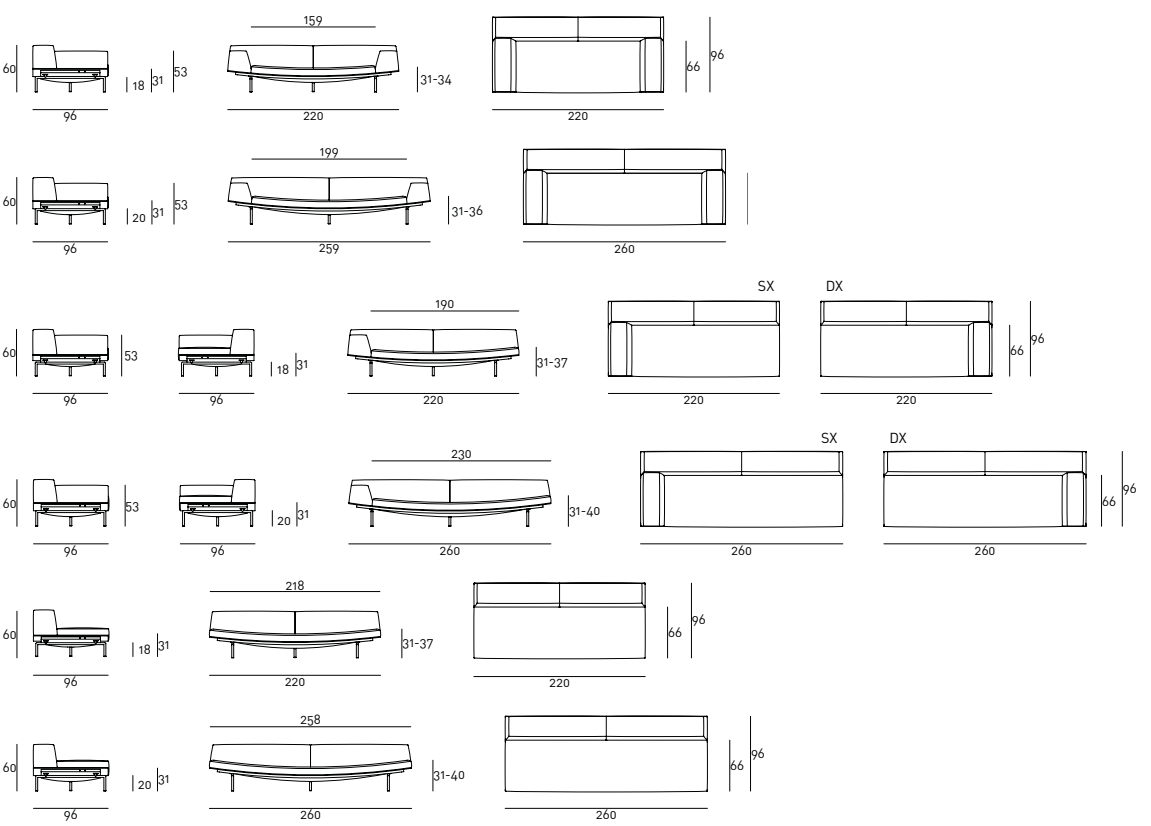

According to the product shape, some coverings cannot be used: please refer to the adaptability sheet in the “Materials” section of the website.

For leather coverings the “Leather A” or “Leather B” Maintenance Kit is included with the product.

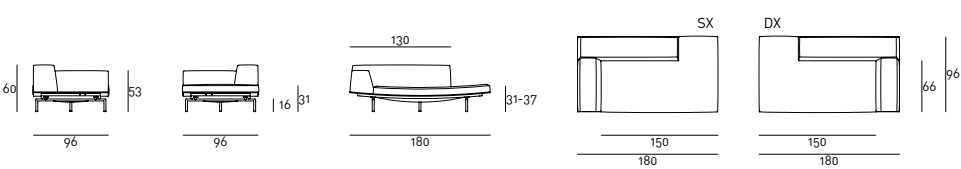

For marble finishing with opaque polyester finish, the “Marble” Maintenance Kit is included with the product.
