Bed Section

Notes

On request can be ordered a spacer, to lift the elements of further 4cm, to be screwed to the standard feet.

On request the bed can be ordered higher than standard.

When ordering, please indicate the required positioning of the side guides: the headboard of 121/125/135/141/145cm is always on the same side of the large side guide of 42cm.

When ordering, please indicate the required positioning of the high and low headboard elements. If not specified, the bed will be manufacture as shown in the drawings.

Please attach a general sketch of the required configuration to the order.

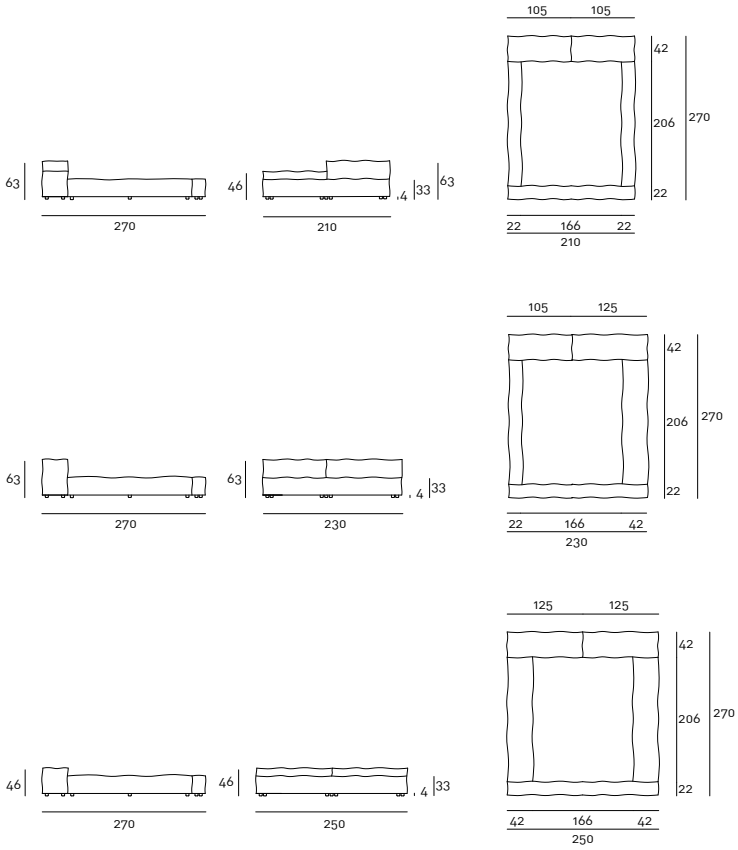

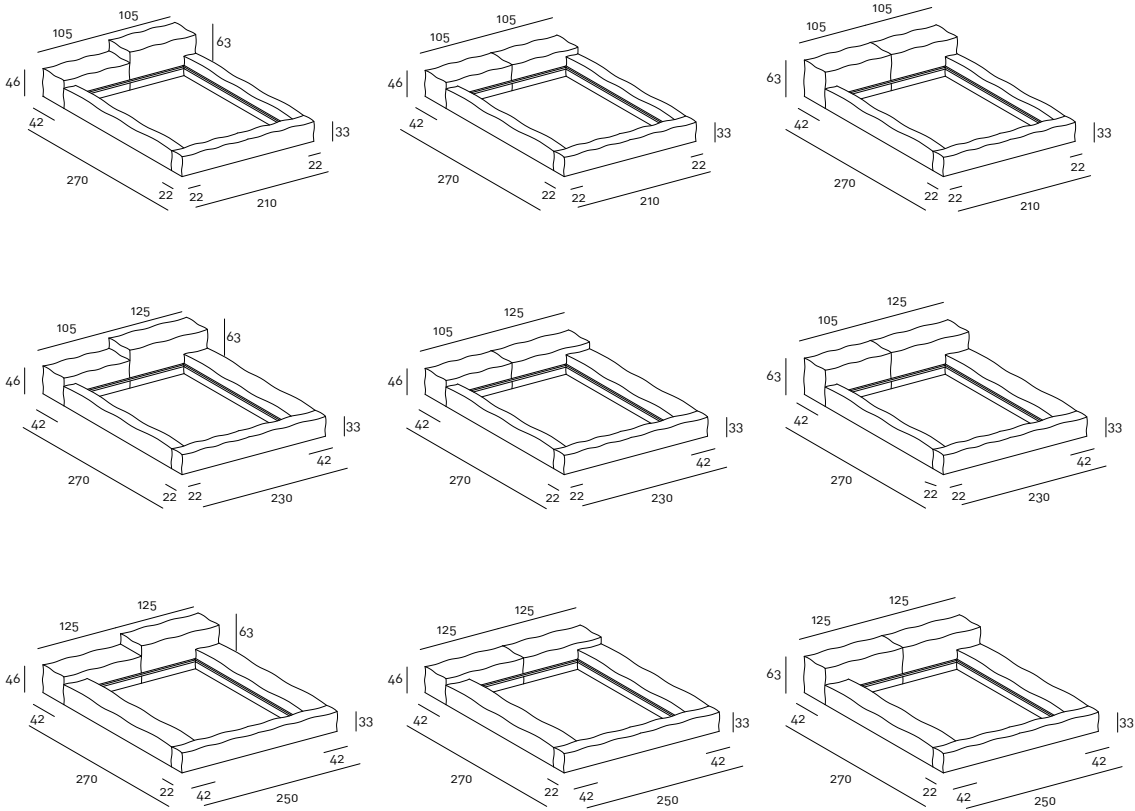

For slatted bases and mattresses not supplied by the company, please forward the technical specifications.

For slatted bases and mattresses, please refer to the price list.

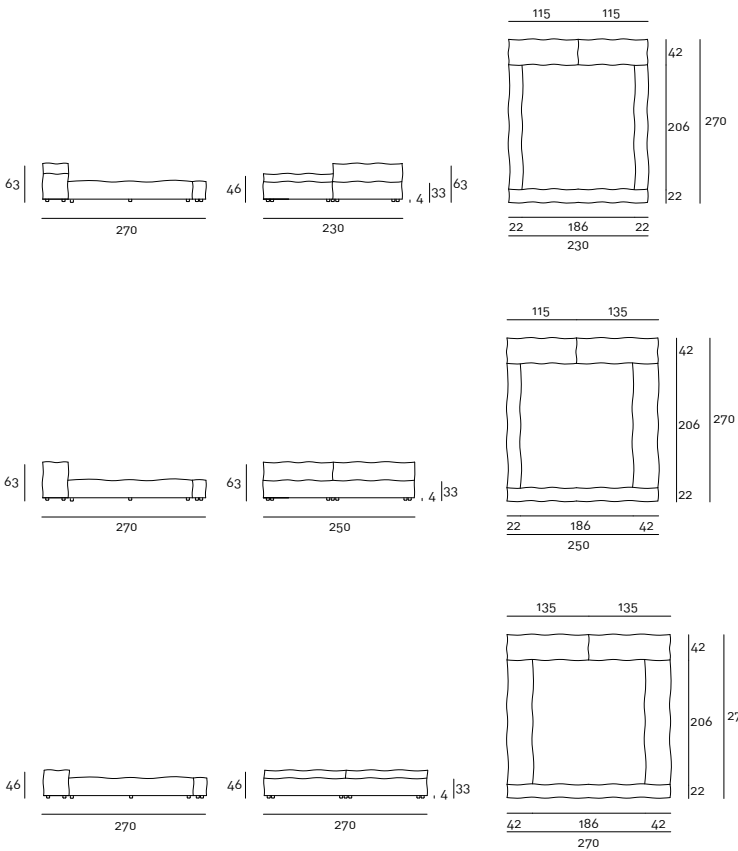

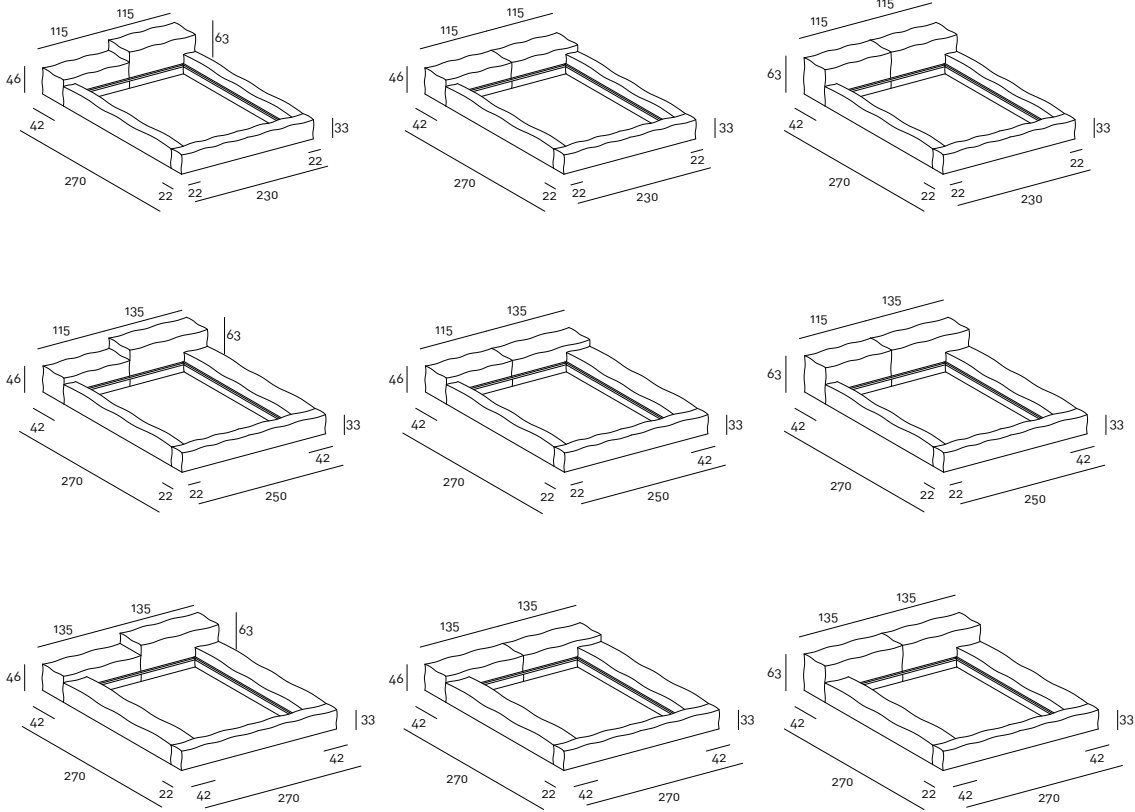

According to the product shape, some coverings cannot be used: please refer to the adaptability sheet in the "Materials" section of the website.

For leather coverings the "Leather A" or "Leather B" Maintenance Kit is included with the product.
